

StriveX - Master Interfaces Specification

Master Interfaces Breakdown

Module 1: Public and Onboarding (The Gateway)

Interface 1.1: Public Landing Page

- Header Navigation:
 - Brand Logo (StriveX with electric pulse glyph).
 - Navigation Links: Features, Schedule, Trainers, Pricing, About.
 - Role Demo Switcher: Quick dropdown to preview Member, Trainer, or Admin dashboards.
 - Theme Toggle: Dark and Light mode switcher with smooth transition.
 - Action Buttons: "Login" (opens Login Modal) and "Join StriveX" (opens Registration Modal).
 - Mobile Hamburger Menu: Fullscreen kinetic glass drawer with all links and actions.
- Hero Section:
 - Headline and Subheadline: "Engineered for Human Performance - Elevate Every Rep".
 - Live Metrics Badge: "1,240+ Active Athletes This Week".
 - Primary Action: "Start Free Trial" (triggers Step 1 Registration).
 - Secondary Action: "Explore Platform Demo" (opens interactive video/feature walkthrough modal).

- Feature Matrix Grid:
 - AI Workout Intelligence Card: Real-time rep tracking and auto-progressive overload details.
 - Elite Trainer Ecosystem Card: 1-on-1 coach access, routine customization, and direct messaging.
 - Real-Time Biometrics Card: Dynamic calorie, heart rate, and streak tracking.
- Live Class Schedule Section:
 - Day Switcher: Monday through Sunday selector tabs.
 - Category Filter: All, HIIT, Strength, Hypertrophy, Yoga, Mobility.
 - Class Cards: Time, class title, trainer photo, difficulty tag, spots remaining counter.
 - "Reserve Spot" Action: Opens reservation confirmation modal with live seat decrement.
- Tiered Membership Pricing Matrix:
 - Billing Toggle: Monthly vs Annual (with "Save 20%" badge).
 - Tier 1 (Basic / Starter): Price, feature checklist, "Select Starter" CTA.
 - Tier 2 (Pro / Recommended): Highlighted lime border, feature checklist, "Get Pro" CTA.
 - Tier 3 (Elite / Unlimited): VIP perks checklist, "Join Elite" CTA.
 - Selection Flow: Clicking any plan opens Registration pre-selected to that tier.
- Testimonials and Social Proof:
 - Athlete cards with verified member badge, star ratings, and before/after stats.
- Footer Section:
 - Brand manifesto, quick navigation links, technology build stack, and developer credits.

Interface 1.2: Multi-Step Member Registration Flow (Modal / View)

- Step 1: Personal and Contact Details:
 - Full Name field (real-time error if numbers or symbols entered).
 - Email Address field (real-time RFC format validation).
 - Phone Number field (real-time Sri Lankan 07X / +94 and international regex check).
 - Password field with visual strength meter (Length, Upper, Number, Symbol).
 - Next Step CTA: Validates all fields and advances to Step 2.
- Step 2: Athlete Profile and Goals:
 - Primary Fitness Goal: Fat Loss, Muscle Hypertrophy, Athletic Performance, Mobility.
 - Experience Level: Beginner, Intermediate, Advanced.
 - Weekly Training Target: 3, 4, 5, or 6 days/week.
 - Navigation: "Back" and "Continue to Checkout".
- Step 3: Membership Selection and Payment:
 - Selected Plan summary card with price breakdown.
 - Mock Cardholder Name, Card Number (Luhn validation), Expiry Date (MM/YY), and CVC.
 - Promo Code input with instant discount calculation.
 - Navigation: "Back" and "Complete Registration".
- Step 4: Success State and Onboarding:
 - Celebratory animation, welcome toast notification, and instant redirect to Member Dashboard.

Interface 1.3: Authentication and Login (Modal)

- Email and Password fields with live error highlighting.
- "Remember this device" checkbox.
- "Forgot Password" trigger (opens recovery drawer with code verification).
- 1-Click Demo Profiles: "Login as Member", "Login as Trainer", "Login as Admin".
- "Create New Account" link switching to Registration Modal.

Module 2: Member Experience (The Athlete Hub)

Interface 2.1: Member Dashboard

- Top Navigation Bar:
 - Member avatar with status badge.
 - Notification Bell with unread counter and interactive notifications drawer.
 - Quick Streak Indicator (e.g., 5-day active streak flame).
- Biometric KPI Cards:
 - Active Calories Burned (e.g., 680 / 800 kcal) with daily progress bar.
 - Target Heart Rate (e.g., 142 bpm average).
 - Active Training Time (e.g., 54 mins logged today).
 - Weekly Consistency Score (e.g., 94%).
- Circular Goal Rings:
 - Interactive SVG triple rings: Movement, Exercise, and Stand goals.
- Today's Routine Card:
 - Routine Title (e.g., "Hypertrophy Push Day A").
 - Trainer Attribution (e.g., "Assigned by Coach Marcus").
 - Estimated duration (50 mins) and exercise count (6 exercises).
 - Primary Action: "Start Workout Session" (launches Workout Logger).
- Weekly Activity Calendar:
 - Interactive calendar grid highlighting completed workout days.
- Quick Hydration and Calorie Logger Widget:
 - Instant increment/decrement buttons (+250ml, +100 kcal) with live persistence.

Interface 2.2: Active Workout Session (Interactive Logger)

- Header: Live workout duration timer (with Pause/Resume and End buttons).
- Exercise Roster:
 - Exercise Cards (e.g., Barbell Bench Press, Incline Dumbbell Fly, Cable Lateral Raise).
 - Video demonstration thumbnail / visual guide.
 - Target Sets, Reps, and Rest Interval indicator.
- Interactive Set Logger:
 - Set rows with Weight (kg/lbs) input, Reps input, and Completion Checkbox.
 - Checking a set completes it, plays a subtle feedback animation, and auto-starts the Rest Timer.
- Rest Interval Timer:
 - Floating timer counting down rest period (with "+30s" and "Skip Rest" buttons).
- Session Completion:
 - "Finish Workout" CTA: Opens summary modal with total volume lifted, calories burned, celebration toast, and auto-updates the Member Dashboard rings.

Interface 2.3: Member Settings and Profile

- Personal Information Tab:
 - Profile avatar image selector, Full Name, Bio, Emergency Contact, and Fitness Level.
 - "Save Changes" with instant validation and toast feedback.
- Subscription and Billing Tab:
 - Current Plan: Pro Athlete Tier (\$49/mo), Next Billing Date.
 - Actions: "Change Plan" (opens tier upgrade modal) and "Download Invoices" (triggers PDF receipt preview).
- Security and Preferences Tab:
 - Password change form, SMS reminder toggle, Email notification preferences, 2FA toggle.

Interface 2.4: Member-Trainer Direct Chat

- Chat Header: Assigned Trainer profile (Coach Marcus), Online status badge, "Call Trainer" placeholder action.
- Message Thread: Chronological message bubbles with timestamps and read receipts.
- Chat Input: Text field, quick attachment button, emoji picker, and Send CTA.
- Simulated Trainer Auto-Response: Intelligent instant response when sending messages.

Module 3: Trainer Portal (The Professional Suite)

Interface 3.1: Trainer Dashboard

- Overview KPI Metrics:
 - Total Assigned Clients (e.g., 28 athletes).
 - Active Clients Today (e.g., 19 active).
 - At-Risk Clients (e.g., 3 inactive > 5 days).
 - Scheduled 1-on-1 Sessions (e.g., 4 sessions today).
- Client Management Roster:
 - Filter Tabs: All, Active, Needs Attention, Inactive.
 - Client Table / Grid: Avatar, Name, Current Goal, Compliance %, Last Active, Action buttons ("View Profile", "Assign Plan", "Message").
- Upcoming Schedule Feed:
 - Timeline of today's personal training bookings with client details and "Start Meeting" action.
- Quick Action Bar:
 - "Build New Routine", "Broadcast Announcement", "Register Client".

Interface 3.2: Client Detail Modal / Drawer

- Athlete Header: Profile photo, contact email, phone number, joined date, compliance grade.
- Biometrics Progress: Weight tracking chart, strength progression milestones.
- Assigned Routines List: Active and archived routines with status chips and edit buttons.
- Direct Action Shortcuts: "Assign Custom Workout", "Send Message", "Log Assessment Note".

Interface 3.3: Interactive Workout Routine Builder

- Exercise Library Panel:
 - Search input with live filtering.
 - Muscle Group Filters: Chest, Back, Legs, Shoulders, Arms, Core, Cardio.
 - Exercise list with thumbnail, target muscle, and "+ Add to Routine" button.
- Routine Composition Workspace:
 - Routine Name, Target Goal, Difficulty Level, and Notes fields.
 - Added Exercise Cards: Draggable ordering, custom sets counter, target reps, target weight, rest timer configuration, and delete action.
- Assignment Footer:
 - Custom Dropdown: "Select Client" (single client or all clients).
 - "Publish and Send Routine" CTA: Validates routine structure and notifies client.

Interface 3.4: Trainer Messaging Center

- Client List Sidebar: Search bar, client list sorted by latest interaction, unread badges.
- Active Conversation Window: Full chat history with client.
- Client Quick Stats Drawer: Collapsible side panel showing the client's current plan and compliance while messaging.

Module 4: Admin Operations (The Command Center)

Interface 4.1: Admin Operations Dashboard

- Executive KPI Cards:
 - Monthly Recurring Revenue (MRR: \$48,250 with +14.2% monthly trend).
 - Total Active Members (1,240 members).
 - Staff Capacity / Load (88% trainer utilization).
 - Churn Rate (1.8% low churn).
- Live System Activity Audit Trail:
 - Chronological log of system actions (New registrations, plan upgrades, trainer assignments, card charges).
 - Status chips (Success, Pending, Flagged).
- Global Quick Actions:
 - "Add Staff Member", "Generate Financial Audit", "Broadcast System Notice".

Interface 4.2: Financials and Revenue Reporting

- Interactive Revenue Breakdown Chart:
 - Monthly revenue trajectory comparing Basic, Pro, and Elite tiers.
- Transaction Ledger Table:
 - Columns: Date/Time, Transaction ID, Member Name, Subscription Tier, Amount (\$), Payment Method, Status (Completed, Refunded).
 - Ledger Filters: Date range selector, Status filter, Tier filter.
 - Search Bar: Search by Transaction ID or Member Name.
 - Pagination: Page numbers, Next/Previous buttons, rows per page selector.
 - "Export CSV / Report" action button.

Interface 4.3: Staff Management Drawer / Interface

- Staff Directory Table:
 - Staff Name, Avatar, Role (Lead Coach, Fitness Instructor, Operations Admin), Assigned Clients count, Status (Active, On Leave).
- Permissions and Access Control:
 - Interactive toggles: Can Edit Plans, Can View Financials, Can Manage Members, Can Issue Refunds.
- "Add New Staff Member" Modal:
 - Full Name, Email, Phone, Assigned Role, Access Level with real-time validation.

Interface 4.4: Global Search Overlay (Cmd+K)

- Keyboard Shortcut (Cmd+K / Ctrl+K) and Top Search Bar trigger.
- Live search indexing: Members, Trainers, Workout Routines, and Financial Transactions.
- Categorized results with keyboard arrow navigation and instant view redirection.
